United Stockgrowers of America
Foundation for Research,
Education and Endowment

You can, by supporting USA FREE!

USA FREE (United Stockgrowers of America Foundation for Research, Education and Endowment) was created “for the specific purpose of benefiting charitable, educational, and scientific activities of R-CALF USA.” (USA FREE Bylaws 2.1)

Donations to USA FREE are used to research issues facing Rural Americans and to continually educate the public on these issues.

This process includes: the creation and distribution of educational materials, informational meetings and workshops, face-to-face conversations at farm and ranch shows, and an annual convention.

USA FREE also will use donations to re-establish a scholarship program for graduating high school seniors and undergraduate students.

Some of the ways to donate to USA FREE are listed to the right. It is recommended that you talk with your CPA, attorney and/or financial advisor as you consider which option is right for you. Creativity in giving also is encouraged!
